Surrey Heath Choral Society

Surrey Heath Choral Society was formed in 1986 by the amalgamation of two well-established Camberley choirs, the Camberley Choral Society and the France Hill Choral Society. It now has around 85 members.

In recent years we have been privileged to join with several other Choral Societies to form the Centenary Chorus and performed major works in Guildford Cathedral and the Royal Memorial Chapel, The Royal Military Academy, Sandhurst.

The choir rehearses on Monday evenings at 7.30 pm in the hall of High Cross Church. If you have an interest in singing, please come along and you may be sure of a warm welcome. Further details can be obtained from our website www.surreyheathchoral.co.uk
